

WINE TASTING

8TH OCTOBER 2021

19:00

WINE AND TASTING PLATES

£30 per head

We have teamed up with Adnams to create for you a wine tasting experience.

To accompany each wine, our Chef has used the food pairing suggestions made by Lois at Adnams to create a selection of individual tasting plates which will be enjoyed throughout the evening.

Starting with an aperitif, we will follow with white wine and finish with red, enjoying along the way a selection of vegetable, fish, meat and cheese plates.
